PIERRE
CAYAMBO

NETWORKS AND
TELECOMMUNICATIONS

PROFIL

Extremely motivated to develop my skills and grow professionally. I know how to work in a group, but above all I'm very curious about the digital world.

EXPERIENCE

2-week internship at a bailiff's office

Responsibilities :

- Managing various private documents for clients or companies
- Participating in different legal assessments

8-week internship at the IT Department (DSI) of Saint-Pierre Town Hall

Responsibilities :

- Supervising the IT network
- Taking part in on-site interventions
